

## Board Human Resources and Remuneration Committee Report

**‘This year we focussed on succession planning and variable pay planning to strengthen structures already in place.’**

### Guiding Principles

The Overall focus of the Committee:

- Setting guidelines and policies to formulate compensation packages, which are attractive, motivating and capable of retaining qualified and experienced employees in the Bank. In this regard, the Committee sets the criteria such as qualifications, experience and the skills and competencies required, to be considered for appointment or promotion to the post of Managing Director and to Key Management positions.
- Setting guidelines and policies to ensure that the Bank upholds and adheres to the provisions of the Laws of the Lands, particularly those provisions of the Banking Act No. 30 of 1988, including the Directions issued by the Monetary Board/Director of Bank Supervision in accordance of the provisions of such Act.
- Providing guidance and policy direction for relevant matters connected to general areas of Human Resources Management of the Bank.
- Ensuring that the performance related element of remuneration is designed and tailored to align employee interests with those of the Bank and its main stakeholders and support sustainable growth.
- Structuring remuneration packages to ensure that a significant portion of the remuneration is linked to performance, to promote a pay for performance culture.
- Promoting a culture of regular performance reviews to enable staff to obtain feedback from their superiors in furtherance of achieving their objectives and development goals.

- Developing a robust pipeline of raising talent capable and available to fill key positions in the Bank.

### Methodology

The Committee recognised rewards as one of the key drivers influencing employee behaviour, thereby impacting business results. Therefore, the reward programmes are designed to attract and retain and to motivate employees to perform by linking performance to demonstrable performance based criteria. In this regard, the Committee evaluates the performance of the Managing Director and Key Management Personnel (KMP) against the pre-agreed targets and goals that balance short-term and long-term financial and strategic objectives.

The Bank’s variable (bonus) pay plan is determined according to the overall achievements of the Bank and pre-agreed individual targets, which are based on various performance parameters. The level of variable pay is set to ensure that individual rewards reflect the performance of the Bank overall, the particular business unit and individual performance. The Committee makes appropriate adjustments to the bonus pool in the event of over or under achievement against predetermined targets. In this regard, the Committee can seek external independent professional advice on matters falling within its purview.

Further, the Committee may seek external agencies to carry out salary surveys to determine the salaries paid to staff vis-à-vis the market position, enabling the Committee to make informed decisions regarding the salaries in the Bank.

During the year, the Committee interviewed, based on the succession plan, suitable candidates to fill the vacancies in the Corporate Management and such recommendations were accordingly approved by the Board of Directors. Some of these appointments were effected and others will be effected in 2017. The recent changes which continue in the key management positions and the ability of the Bank to ensure a smooth transition in each of these cases, signify the importance of and the attention paid to the talent management and succession planning process of the Bank. In all promotions to the Corporate Management grade, the Committee applied the Bank's leadership competency framework to judge the suitability of the candidates.

Further, the Committee determined the bonus payable for 2015 performance, according to the Variable Pay Plan (VPP) for Executive staff, the increments to be granted also based on the above VPP and the performance of the members of the Corporate Management, Chief Operating Officer and Managing Director/CEO were reviewed and performance gradings were agreed upon. With the conclusion of the review process for 2015, the Key Performance Areas of the Corporate Management, Chief Operating Officer and Managing Director/CEO for 2016 were carefully perused by the Committee and agreed on.
